REGULATIONS

COUNCIL REGULATION (EU) No 208/2014

of 5 March 2014

concerning restrictive measures directed against certain persons, entities and bodies in view of the situation in Ukraine

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Article 215 thereof,

Having regard to Council Decision 2014/119/CFSP of 5 March 2014 concerning restrictive measures directed against certain persons, entities and bodies in view of the situation in Ukraine ⁽¹⁾,

Having regard to the joint proposal of the High Representative of the Union for Foreign Affairs and Security Policy and of the European Commission,

Whereas:

(1) On 20 February 2014, the Council condemned in the strongest terms all use of violence in Ukraine. It called for an immediate end to the violence, and full respect for human rights and fundamental freedoms in Ukraine. It called upon the Ukrainian Government to exercise maximum restraint and opposition leaders to distance themselves from those who resort to radical action, including violence.

(2) On 3 March 2014, the Council agreed to focus restrictive measures on the freezing and recovery of assets of persons identified as responsible for the misappropriation of Ukrainian State funds and persons responsible for human rights violations in Ukraine.

(3) On 5 March 2014, the Council adopted Decision 2014/119/CFSP.

(4) Decision 2014/119/CFSP provides for the freezing of funds and economic resources of certain persons identified as responsible for the misappropriation of Ukrainian State funds and persons responsible for human rights violations in Ukraine, and natural or legal persons, entities or bodies associated with them, with a view to consolidating and supporting the rule of law and respect for human rights in Ukraine. Those persons, entities and bodies are listed in the Annex to that Decision.

(5) These measures fall within the scope of the Treaty on the Functioning of the European Union and, therefore, notably with a view to ensuring their uniform application by economic operators in all Member States, regulatory action at the level of the Union is necessary in order to implement them.

(6) This Regulation respects the fundamental rights and observes the principles recognised in particular by the Charter of Fundamental Rights of the European Union and notably the right to an effective remedy and to a fair trial and the right to the protection of personal data. This Regulation should be applied in accordance with those rights and principles.

(7) The power to amend the list in Annex I to this Regulation should be exercised by the Council, in view of the serious political situation in Ukraine, and to ensure consistency with the process for amending and reviewing the Annex to Decision 2014/119/CFSP.

(8) The procedure for amending the list in Annex I to this Regulation should include providing designated natural or legal persons, entities or bodies with the grounds for listing, so as to give them an opportunity to submit observations. Where observations are submitted, or substantial new evidence is presented, the Council should review its decision in light of those observations and inform the person, entity or body concerned accordingly.

⁽¹⁾ See page 26 of this Official Journal.

- (9) For the implementation of this Regulation, and in order to create maximum legal certainty within the Union, the names and other relevant data concerning natural and legal persons, entities and bodies whose funds and economic resources must be frozen in accordance with this Regulation, must be made public. Any processing of personal data should comply with Regulation (EC) No 45/2001 of the European Parliament and of the Council⁽¹⁾ and Directive 95/46/EC of the European Parliament and of the Council⁽²⁾.

COMMISSION IMPLEMENTING REGULATION (EU) No 209/2014

of 5 March 2014

amending Regulation (EU) No 605/2010 as regards animal and public health and veterinary certification conditions for the introduction of colostrum and colostrum-based products intended for human consumption into the Union

(Text with EEA relevance)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Directive 2002/99/EC of 16 December 2002 laying down the animal health rules governing the production, processing, distribution and introduction of products of animal origin for human consumption ⁽¹⁾, and in particular the introductory phrase of Article 8, the first subparagraph of point (1) and point (4) of Article 8 and Article 9(4) thereof,

Having regard to Regulation (EC) No 853/2004 of the European Parliament and of the Council of 29 April 2004 laying down specific hygiene rules for food of animal origin ⁽²⁾, and in particular the second paragraph of Article 9 thereof,

Having regard to Regulation (EC) No 854/2004 of the European Parliament and of the Council of 29 April 2004 laying down specific rules for the organisation of official controls on products of animal origin intended for human consumption ⁽³⁾, and in particular Articles 11(1) and the second paragraph of Article 16 thereof,

Whereas:

- (1) Regulation (EC) No 853/2004 lays down specific rules for food business operators on the hygiene of food of animal origin. That Regulation provides that food business operators producing raw milk and dairy products and colostrum and colostrum-based products intended for human consumption are to comply with the relevant provisions of Annex III thereto.
- (2) In addition, Regulation (EC) No 853/2004 provides that food business operators importing products of animal origin from third countries are to ensure that importation takes place only, if the third country of dispatch appears on a list drawn up in accordance with Regulation (EC) No 854/2004 and the products satisfy, inter alia, the requirements of Regulation (EC) No 853/2004 and any import conditions laid down in accordance with Union legislation governing import controls for products of animal origin.

- (3) Commission Regulation (EU) No 605/2010 ⁽⁴⁾ lays down the public and animal health conditions and the certification requirements for the introduction of consignments of raw milk and dairy products into the Union. It also lays down the list of third countries from which the introduction of such consignments into the Union is authorised.
- (4) Regulation (EU) No 605/2010 establishes different import conditions depending on the animal health status of the exporting third country as regards foot-and-mouth disease (FMD) and rinderpest. Third countries which are free from FMD without vaccination and rinderpest for the period for at least 12 months prior to import are listed in column A of Annex I to Regulation (EU) No 605/2010 and imports into the Union of raw milk and dairy products, derived from raw milk from those third countries, are authorised without having undergone a specific treatments.
- (5) The Commission received several requests from some Member States and trade partners to establish animal health conditions for the imports of colostrum and colostrum-based products for human consumption into the Union.
- (6) Regulation (EU) No 605/2010 does not apply to colostrum and colostrum-based products. However, colostrum represents the same animal health risks as raw milk for FMD. Colostrum can therefore be safely imported from countries which are already authorised for import of raw milk and listed in column A of Annex I to Regulation (EU) No 605/2010.
- (7) Several commercial products are made of pasteurised or sterilised colostrum. However, since the effects of pasteurisation and sterilisation have not been validated for colostrum which has a high cell content, pasteurised or sterilised colostrum and colostrum-based products should only be imported from those third countries which are free from FMD without vaccination, listed in column A of Annex I to Regulation (EU) No 605/2010.

DECISIONS

COUNCIL DECISION 2014/119/CFSP

of 5 March 2014

concerning restrictive measures directed against certain persons, entities and bodies in view of the situation in Ukraine

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on European Union, and in particular Article 29 thereof,

Whereas:

- (1) On 20 February 2014, the Council condemned in the strongest terms all use of violence in Ukraine. It called for an immediate end to the violence in Ukraine, and full respect for human rights and fundamental freedoms. It called upon the Ukrainian Government to exercise maximum restraint and opposition leaders to distance themselves from those who resort to radical action, including violence.
- (2) On 3 March 2014, the Council agreed to focus restrictive measures on the freezing and recovery of assets of persons identified as responsible for the misappropriation of Ukrainian State funds and persons responsible for human rights violations, with a view to consolidating and supporting the rule of law and respect for human rights in Ukraine.
- (3) Further action by the Union is needed in order to implement certain measures,

HAS ADOPTED THIS DECISION:

Article 1

1. All funds and economic resources belonging to, owned, held or controlled by persons having been identified as responsible for the misappropriation of Ukrainian State funds and persons responsible for human rights violations in Ukraine, and natural or legal persons, entities or bodies associated with them, as listed in the Annex, shall be frozen.
2. No funds or economic resources shall be made available, directly or indirectly, to or for the benefit of natural or legal persons, entities or bodies listed in the Annex.
3. The competent authority of a Member State may authorise the release of certain frozen funds or economic resources, or the making available of certain funds or economic resources, under such conditions as it deems appropriate, after having determined that the funds or economic resources concerned are:

- (a) necessary to satisfy the basic needs of the natural persons listed in the Annex and their dependent family members, including payments for foodstuffs, rent or mortgage, medicines and medical treatment, taxes, insurance premiums, and public utility charges;
- (b) intended exclusively for the payment of reasonable professional fees and the reimbursement of incurred expenses associated with the provision of legal services;
- (c) intended exclusively for the payment of fees or service charges for the routine holding or maintenance of frozen funds or economic resources; or
- (d) necessary for extraordinary expenses, provided that the competent authority has notified the competent authorities of the other Member States and the Commission of the grounds on which it considers that a specific authorisation should be granted, at least two weeks prior to the authorisation.

The Member State concerned shall inform the other Member States and the Commission of any authorisation granted under this paragraph.

4. By way of derogation from paragraph 1, the competent authorities of a Member State may authorise the release of certain frozen funds or economic resources, provided that the following conditions are met:

- (a) the funds or economic resources are the subject of an arbitral decision rendered prior to the date on which the natural or legal person, entity or body referred to in paragraph 1 was listed in the Annex, or of a judicial or administrative decision rendered in the Union, or a judicial decision enforceable in the Member State concerned, prior to or after that date;
- (b) the funds or economic resources will be used exclusively to satisfy claims secured by such a decision or recognised as valid in such a decision, within the limits set by applicable laws and regulations governing the rights of persons having such claims;
- (c) the decision is not for the benefit of a natural or legal person, entity or body listed in the Annex; and

(d) recognition of the decision is not contrary to public policy in the Member State concerned.

The Member State concerned shall inform the other Member States and the Commission of any authorisations granted under this paragraph.

5. Paragraph 1 shall not prevent a listed natural or legal person, entity or body from making a payment due under a contract entered into prior to the date on which such person, entity or body was listed in the Annex, provided that the Member State concerned has determined that the payment is not, directly or indirectly, received by a person, entity or body referred to in paragraph 1.

6. Paragraph 2 shall not apply to the addition to frozen accounts of:

- (a) interest or other earnings on those accounts;
- (b) payments due under contracts, agreements or obligations that were concluded or arose prior to the date on which those accounts became subject to the measures provided for in paragraphs 1 and 2; or
- (c) payments due under judicial, administrative or arbitral decisions rendered in the Union or enforceable in the Member State concerned,

provided that any such interest, other earnings and payments remain subject to the measures provided for in paragraph 1.

Article 2

1. The Council, acting upon a proposal by a Member State or the High Representative of the Union for Foreign Affairs and Security Policy, shall decide to establish and amend the list in the Annex.

2. The Council shall communicate the decision referred to in paragraph 1, including the grounds for the listing, to the natural or legal person, entity or body concerned, either directly, if the address is known, or through the publication of a notice, providing such person, entity or body with an opportunity to present observations.

3. Where observations are submitted, or where substantial new evidence is presented, the Council shall review the decision referred to in paragraph 1 and inform the person, entity or body concerned accordingly.

Article 3

1. The Annex shall include the grounds for listing the natural and legal persons, entities and bodies referred to in Article 1(1).

2. The Annex shall also contain, where available, the information necessary to identify the natural and legal persons, entities or bodies concerned. With regard to natural persons, such information may include names, including aliases, date and place of birth, nationality, passport and identity card numbers, gender, address if known, and function or profession. With regard to legal persons, entities and bodies, such information may include names, place and date of registration, registration number and place of business.

Article 4

In order to maximise the impact of the measures referred to in Article 1(1) and (2), the Union shall encourage third States to adopt restrictive measures similar to those provided for in this Decision.

Article 5

This Decision shall enter into force on the date of its publication in the *Official Journal of the European Union*.

This Decision shall apply until 6 March 2015.

This Decision shall be kept under constant review. It shall be renewed, or amended as appropriate, if the Council deems that its objectives have not been met.

Done at Brussels, 5 March 2014.

COMMISSION IMPLEMENTING DECISION

of 4 March 2014

establishing the list of Union inspectors pursuant to Article 79(1) of Council Regulation (EC) No 1224/2009

(notified under document C(2014) 1178)

(2014/120/EU)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EC) No 1224/2009 of 20 November 2009 establishing a Community control system for ensuring compliance with the rules of the common fisheries policy, amending Regulations (EC) No 847/96, (EC) No 2371/2002, (EC) No 811/2004, (EC) No 768/2005, (EC) No 2115/2005, (EC) No 2166/2005, (EC) No 388/2006, (EC) No 509/2007, (EC) No 676/2007, (EC) No 1098/2007, (EC) No 1300/2008, (EC) No 1342/2008 and repealing Regulations (EEC) No 2847/93, (EC) No 1627/94 and (EC) No 1966/2006 ⁽¹⁾, and in particular Article 79(1) thereof,

Whereas:

(1) Regulation (EC) No 1224/2009 establishes a Community system for control, inspection and enforcement to ensure compliance with the rules of the common fisheries policy. Regulation (EC) No 1224/2009 provides that, without prejudice to the primary responsibility of the coastal Member States, Union inspectors may carry out inspections in accordance with that Regulation in Union waters and on Union fishing vessels outside Union waters. The list of Union inspectors is to be established in accordance with the procedure laid down in Regulation (EC) No 1224/2009.

(2) Commission Implementing Regulation (EU) No 404/2011 of 8 April 2011 laying down detailed rules for the implementation of Council Regulation (EC) No 1224/2009 establishing a Community control system for ensuring compliance with the rules of the Common Fisheries Policy ⁽²⁾ lays down detailed rules for the application of the control system of the European Union as established by Regulation (EC) No 1224/2009.

(3) Implementing Regulation (EU) No 404/2011 provides that the list of Union inspectors is to be adopted on the basis of the notifications of Member States and of the European Fisheries Control Agency.

(4) A first list of Union inspectors was adopted in Commission Implementing Decision 2011/883/EU ⁽³⁾. That list was replaced by a new list of Union inspectors adopted in Commission Implementing Decision 2013/174/EU ⁽⁴⁾. Article 120 of Implementing Regulation (EU) No 404/2011 provides that after the establishment of the initial list, Member States and the European Fisheries Control Agency shall notify by October each year any amendment to the list they wish to introduce for the following calendar year, and that the Commission shall amend the list accordingly by 31 December.

(5) Some Member States have notified whole lists of their relevant inspectors. It is therefore appropriate to replace the list established in Implementing Decision 2013/174/EU and to lay down in the Annex to this Decision a new list of Union inspectors on the basis of these notifications and notifications on amendments to the initial list received from Member States.

(6) The measures provided for in this Decision are in accordance with the opinion of the Committee for Fisheries and Aquaculture,

HAS ADOPTED THIS DECISION:

Article 1

The list of Union inspectors is set out in the Annex to this Decision.
